PUT YOUR PASSION INTO ACTION

At San Francisco State University, we give our students the practical, hands-on experience they need to succeed in their degree programs and careers. Our faculty not only love to teach, but they are also masters in their own fields. The San Francisco Bay Area offers our students endless opportunities to put their passion into action at large multinational corporations, high-tech firms, startups, research laboratories and in diverse industries.

There's a reason our university's motto is

"EXPERIENTIA DOCET," or experience teaches.

THE GOLDEN CITY

- Walk across the famous Golden Gate Bridge and watch boats sail the bay
- See the sights from a seat on the city's iconic cable cars
- Find the headquarters for big name companies such as Reddit, Gap and Salesforce
- Explore one of the most diverse and inclusive cities in the world
- "Hang ten" on the Pacific Ocean, only one mile from the main campus
- Visit the famous wine regions of Napa and Sonoma

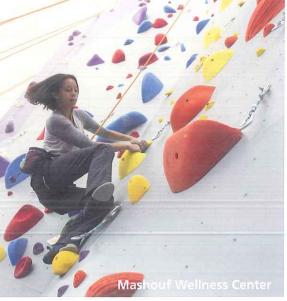

SF STATE IS OVERFLOWING WITH VIBRANT LIFE EVERYWHERE YOU GO

Division II Athletic teams

Student Organizations

Located in what is often cited as America's best city for quality of life, the SF State campus is situated on more than 144 acres in a quiet corner of southwestern San Francisco close to the Pacific Ocean beaches.

In addition, there is a downtown campus located in the heart of the financial and tourist center of San Francisco.

ACADEMIC CERTIFICATE PROGRAMS

Academic certificate programs are a popular option for international students. The University offers professionally designed academic certificate programs in which F-1 visa students can enroll. Semester options are available for select programs.

ADMISSION REQUIREMENTS FOR INTERNATIONAL STUDENTS

- Minimum TOEFL iBT 61, IELTS 6.0 or the equivalent
- Financial statement showing at least one academic year of tuition and living expenses is required
- GPA requirements vary by program

Spring Semester: November 15

*Applications may be accepted after the deadline on a space-available basis only.

PATHWAY TO OPTIONAL PRACTICAL TRAINING (OPT)

9 months of full-time study

Semester 1: Certificate Program Full-time Study

Semester 2: Certificate Program Full-time Study

Optional Practical Training* Up to 12 Months OPT: Work up to one full year! The College of Professional & Global Education (CPaGE) offers numerous certificate programs in partnership with the Lam Family College of Business, which has been accredited by the Association to Advance Collegiate Schools of Business (AACSB) International since 1964. The Lam Family College of Business provides a high-quality business education to a diverse learning community through innovative teaching, research and support.

BUSINESS ADMINISTRATION CERTIFICATE

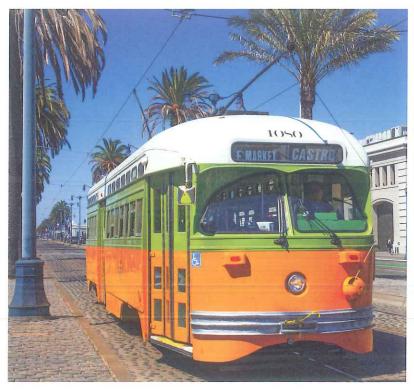

The Business Administration certificate program is designed to give students a broad foundation in business administration in just eight courses. Taking courses in accounting, business communication, statistics, operations management, finance, information systems, management and marketing, graduates will be prepared to enroll in an MBA or an accelerated MBA or launch a career in business. Through SF State activities, students will have opportunities to experience innovation firsthand and network with entrepreneurs, founders, innovators and more.

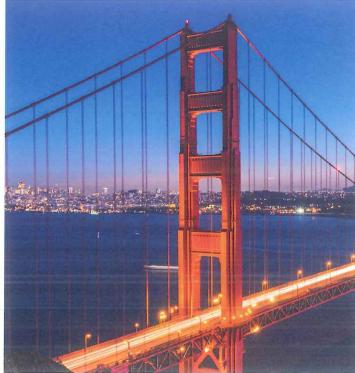

cpage.sfsu.edu/business-administration

HOSPITALITY & TOURISM MANAGEMENT CERTIFICATE

With the Hospitality & Tourism Management Certificate you'll learn about hotel and restaurant management, revenue cost control and much more. This program provides students with a core of business education and professional management knowledge. Complete the certificate program in two semesters. Or apply for a single semester option that only provides course credit. This certificate includes courses on hospitality and tourism services and management, business communication, restaurant and hotel operations, meeting and event planning, food, wine, culture and the general business of tourism.

cpage.sfsu.edu/hospitality

INTERNATIONAL BUSINESS CERTIFICATE

The International Business Certificate enables students to advance their careers in a wide array of global industries. Our International Business program provides a time-efficient, comprehensive experience to keep you competitive in today's workforce. Learn about multicultural relations, international strategic management and more. Complete the certificate program in two semesters. Or apply for a single semester option that only provides course credit. The certificate requires eight courses total, including the student's selection of three electives. Within two semesters, students can earn their certificate by completing the following:

- Global Strategic Management
- International Environmental Analysis
- Seminar in Comparative Management
- International Business and Multicultural Relations
- Plus four electives of your choice

cpage.sfsu.edu/international-business

LIBERAL & CREATIVE ARTS CERTIFICATE

The Certificate in Liberal & Creative Arts exposes students to the liberal and creative arts. Taking a wide range of courses, many of which are also general education courses, students gain broad exposure to the humanities, arts and social sciences. The program may fulfill a gap year, study abroad program, or act as a standalone certificate. Students will complete a total of 24 - 30 units. Students are required to take 9 - 14 units in oral and written communication and critical thinking. In addition, students take 15 - 16 units of electives selected from the following categories:

- Media Arts
- Humanities
- cpage.sfsu.edu/arts

- Social Sciences
- Creative and Performing Arts

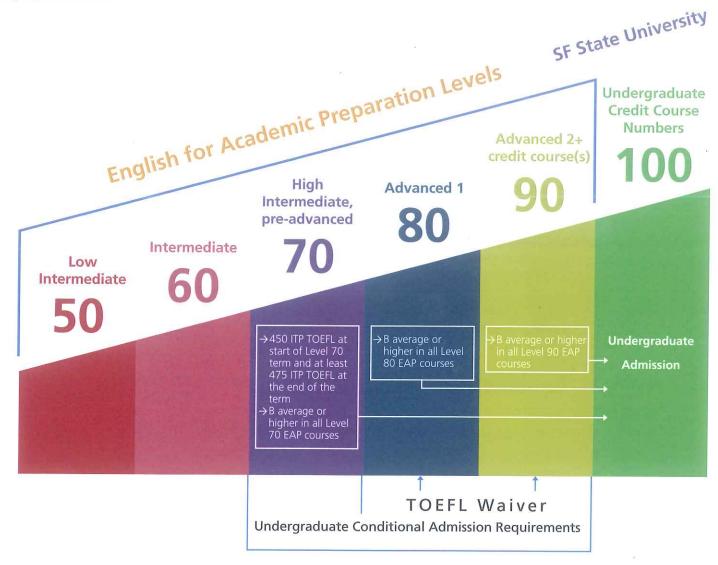

"San Francisco and Silicon Valley are amazing places for people who are involved in the information technology space. Through the International Business program and daily activities, I learned a lot and enhanced my skills. After returning to Japan, I founded my own startup."

Sota Watanabe Startup Founder Japan

ENGLISH LANGUAGE PROGRAMS

The American Language Institute (ALI) has been helping international students reach their personal and professional goals since 1961.

cpage.sfsu.edu/ali

"Besides realizing my dream to know San Francisco, I was able to learn the history of the city and to improve my English. The teachers are great. They have a lot of teaching experience, and they help a lot when students have difficulties. I've had conversations in Brazil where I've been told how much my English has improved.'

Marielle R. Côco Production Engineer Brazil

INTERNATIONAL YEAR ONE UNIVERSITY PATHWAY PROGRAM

IN-PERSON (CREDIT & NONCREDIT)

The International Year One University Pathway Program is a way for international students to begin studying for a degree at SF State. It allows students to take a range of first-year academic credit classes while also receiving specialized instruction to improve their English language skills. Students in the program will take a variety of academic courses allowing them to discover new fields and further explore familiar subjects. Upon program completion, students will transfer 18 – 24 credits to their degree program at SF State. Students must complete General Education coursework in English, math and critical thinking and may select electives from communications, economics and history. All students will also participate in an experiential course that helps them acclimate to life in San Francisco.

Applicants are accepted for entry in fall, spring and summer terms.

PRE-MBA PROGRAM

The Pre-MBA program offered through the Lam Family College of Business at SF State is designed for international students from partner universities. The program focuses on creating a strong conceptual and practical foundation for students aiming to pursue an MBA degree on 3+1+1 model. All Pre-MBA students are required to enroll in and pass all required courses in the Business Administration certificate offered to meet the MBA foundation requirement. Students who pass all courses in the program and maintain a 3.0 or higher GPA, plus earn a bachelor's degree from their home university, meet minimum eligibility requirements for the Lam Family College of Business MBA program.

cpage.sfsu.edu/pre-mba

STUDY ABROAD IN SAN FRANCISCO

Our customized programs have tailored instruction based on the needs of the students coming from various international universities. We offer a range of course subjects such as business management, technology, entrepreneurship, teachers training and many more throughout the year. Our teachers and trainers are both seasoned SF State faculty and leading industry experts, ready to engage the class in interactive workshops and provide them with high-quality learning outcomes.

cpage.sfsu.edu/studysf

INTERNATIONAL CUSTOMIZED TRAINING

We design curricula for an organization's specific needs, which may include subject matter in business and management, technology, engineering and sciences. Our trainers are both seasoned SF State faculty and leading industry experts, who deliver high-quality learning outcomes. These learning outcomes include both theoretical understanding of the material, as well as practical knowledge that can be applied to the student's real-life work environment.

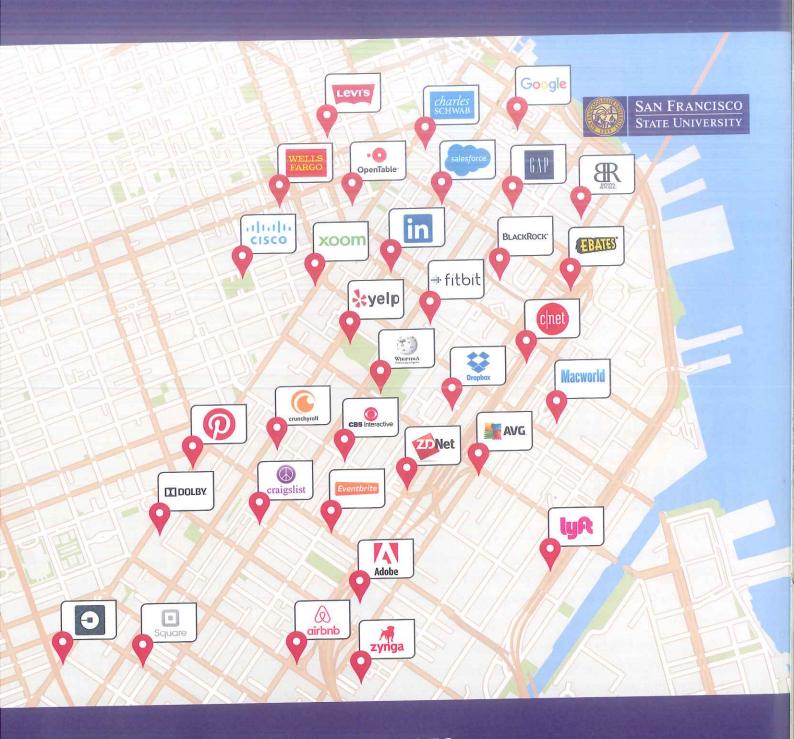

HIGHLIGHTS

- Programs are tailored to your group's needs and can be offered in person or online.
- Curriculum is designed to offer the most current theory and practices in over twenty content areas.
- Professional interpretation is provided when requested.
- SF State has partnerships with a variety of San Francisco Bay Area Fortune 500 and startup companies, government agencies and peer universities. The program includes visits with some of these business, government agencies and university partners.

EXAMPLES OF PROGRAMS OFFERED BY SF STATE:

- Entrepreneurship and New Business Ventures
- English Teacher Training
- Higher Education Administration
- Big Data Analytics and Decision Management
- Public Health and the U.S. Medical System
- Information Technology
- Biology and Life Sciences
