SUMMER 2020

An Introduction to Hertford College

Summer 2020

Hertford College was founded in 1282 – it is one of the oldest of Oxford University's 38 colleges. Located in the centre of historic Oxford, our beautiful college boasts the Bridge of Sighs, an iconic landmark of the city.

Hertford College is an ideal setting for students wishing to challenge themselves academically and deepen their knowledge of Britain and British culture.

What to expect from our academic programme?

- You will study in the unique atmosphere of Oxford.
- You will be encouraged to discuss ideas and gain new perspectives.
- You will develop valuable academic and communication skills.

Welcome to Oxford!

Pre-programme task: Aspects of Oxford

This is an opportunity for you to research and present on a cultural, historical, economic, political or social aspect of Oxford's rich heritage to your peers at the start of the programme. It is an enriching experience for everyone involved as it allows the teaching team to find out more about your interests, and for you to find out more about Oxford as soon as you arrive.

Please choose one of the following topic areas and come prepared to offer a 5-minute presentation on your research. If you choose history, for example, you may like to look at a specific period or event in Oxford's history. These topic headings are guidelines only and we welcome presentations on any other aspects of Oxford that you find interesting and would like to share with your peers.

Students work individually on this task and we ask you to bring any power points on a USB stick, as external equipment is not always compatible with our IT provisions.

Here are some possible topic areas:

- Music: classical/contemporary/Oxford bands etc.
- Culture: the arts/literature
- History, including Economic History: e.g. the Rover/BMW plant in Cowley and migration
- The university and the collegiate system
- Geography
- Architecture
- Events: e.g. Mayday, Oxford-Cambridge Boat race, Bonfire Night etc.
- Traditions and Folklore
- Oxford alumni
- Academic research
- Social history

Enjoy your research! We look forwards to meeting you.
